PREPPed

Post-bac/graduate Research Edification & Preparedness for PhD in Education

This year's six-week mentoring program will focus on Black mental health research in clinical and educational contexts. It provides scholars with the requisite skills in clinical and educational research needed to achieve doctoral studies admission.

Scholars will:

- Examine Black mental health research in clinical and educational contexts
- Receive mentorship from nationally renowned faculty members
- Complete a GRE preparation course
- Receive support and guidance for completing doctoral applications
- Gain social and cultural capital to inform and support their PhD journey
- Join us for local research and culture-based outings

Are you or someone you know a post-bac/graduate scholar interested in the PREPPed program? Email PREPPed@jhu.edu with any questions or scan the QR code to apply by January 5, 2024.
